

Is your unit's information updated on the website?

Go to irspa.org

About

Directory

Click anywhere on your district on the map

Select your county from the list on the left

Are the officers correct?

Is there a link to your current constitution?

Is there a link to your current yearly program?

If not, send constitutions and programs in digital format to 42teacher@gmail.com and they will be updated.

For officer update, there is a link on the page where all of the unit counties in your district were listed that says UNIT UPDATE FORM, click on that and only fill out the offices that are not correct and click submit. That will send an email to 42teacher and I will have it updated for you.

What are the benefits of an updated directory?

- 1) When planning a district meeting, you have easy access to information about the other units that you are inviting. Members of the state board use this all of the time to contact you.
- 2) Your members have easy access to the officers and programs - won't get lost.
- 3) Safe storage of your constitution.
- 4) You have access to many other programs around the state for ideas when you are thinking of your yearly program.
- 5) ***You have a built-in advertisement for **new members**, they can see what you do and who to contact if they want more information.
